Dear Parents(s)/Guardians(s),

I am sorry to announce that two of our excellent support staff will be leaving Dean Close Prep School at the end of this week.

Mrs Rachel Sargeant has been the librarian at DCPS for the last 4 years. Through her dedication and professionalism, she has not only ensured that pupils read for pleasure, but she has also brought the organisation of our school library up to the high standard which all of our pupils and staff enjoy today. A small measure of her incredible success can be seen in the vast number of books loaned to pupils each term and the numbers of children actively and enthusiastically using the library during pupil break times. As well as being our librarian, Rachel will be sorely missed as a teaching assistant and house tutor. We wish her well as she spends more time on other projects and in pursuing her own writing career.

Mrs Rachel Swift has worked as the school's highly able Science Technician for the last 4 years and she sadly leaves us to take up a key role in administrating 'Maths Hubs' for maintained schools across the region. Rachel is to be congratulated for this highly deserved promotion and I am sure that she will champion her new subject focus with the same enthusiasm, professionalism and energy with which she has contributed to the progress and outreach of Science at DCPS.

I am sure that you will join me in wishing them both well as they take up the new chapters in their careers and, in the meantime, if you have any queries or concerns about these staffing matters, please do not hesitate to contact me.

With kind regards,

Mr P Moss
Headmaster
