Accessing the parent portal

Navigate to the parent hub on the Dean Close website or use the following link:

http://parents.deanclose.org.uk

1. Login to your Parent Portal account using the email address and password you created upon registration. If you have not previously registered please follow the 'Registering your account' instructions below.

2. Or, if you have forgotten your password, use the link provided in the Login Issues & Problems window.

Registering your account

If you are using the system for the first time you must register using the *Portal Registration* details which have been provided via email.

3. Select REGISTER which is located in the top right of the window. Enter the details then click on the *register* button.

Registration Number: ********

Registration Password: **********

You are required to provide a password and email address. Click on the *create account* button.

To complete the registration processes you must verify your e-mail by logging into your registered email account and clicking on the **Verify e-mail address** link provided.

Accessing your Child's information

Once logged into your account, you will be able to select your child by name and view their profile. Select the links in the School profile to view the related information.

Is your account information correct?

In order to continue to receive notifications regarding updates to your parent portal account, please ensure that your email and other account information is up to date. Please contact Miss Daly if you require further assistance. hedaly@deanclose.org.uk
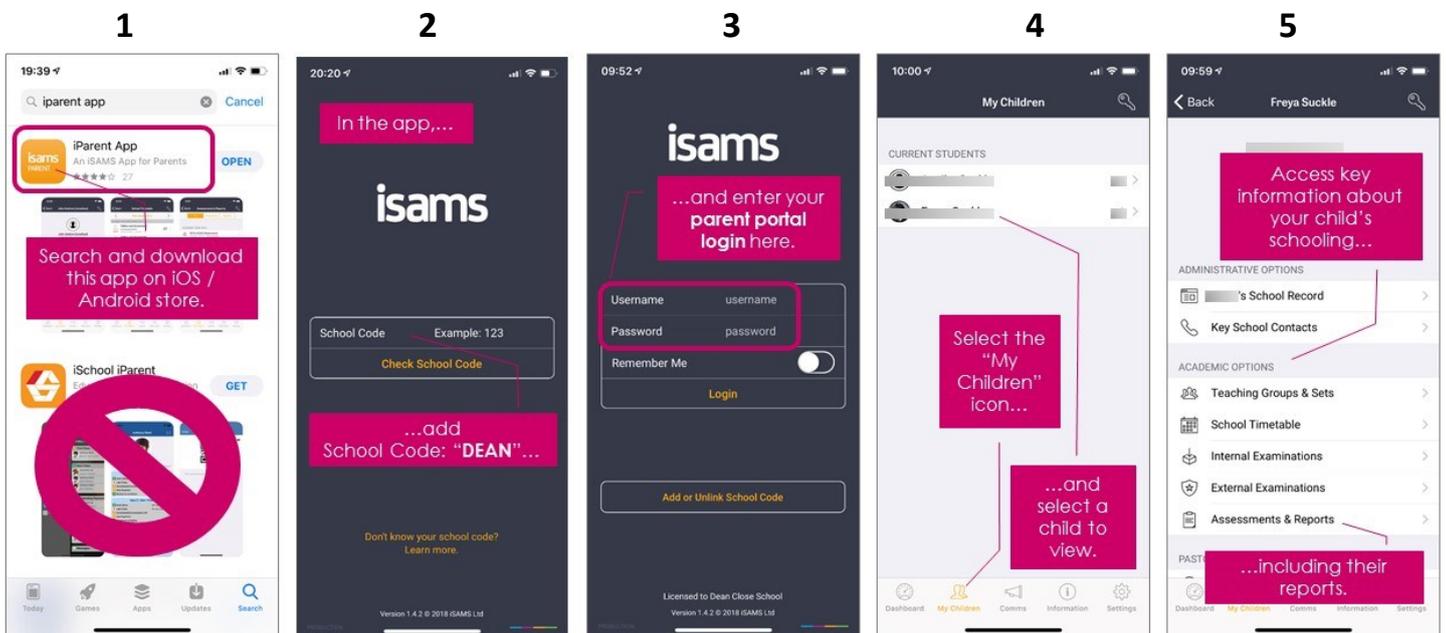

iSAMS Mobile App
