**Pre-Season timetable for Tennis and Cricket**

I have pleasure in announcing the following dates for both the boys' and girls' pre-season schedule. Please may I draw your attention to the following information?

- U14 (4<sup>th</sup> Form) is open to all
- U15 (Remove) is open to all
- Senior squads are selective and all information has already been sent out to parents

During the pre-season, (not including the Senior Cricket pre-season to Cardiff) **catering** will not be provided, Please bring your own food and drinks; water will be provided.

As school does not officially begin until Tuesday 23rd April, **accommodation** in the boarding houses is not available unless you have agreed this with your respective houseparent.

If you are planning on staying in the boarding house with permission, then catering will be provided and your houseparent will liaise with you directly.
