

Dear Parents,

The Chaplaincy, in conjunction with other youth groups in Cheltenham, are organising a trip to Reboot LONDON 2019. This is an interactive day for 12-18 year olds to ask their big questions about God, Christianity, faith, life and more. Hosted globally in cities all around the world, an expert team of speakers and apologists from the Zacharias Trust provide a space for teens to ask any questions, no matter what their worldview or personal persuasion. Everything from evolution, the reliability and origins of the Bible, to the essence of human identity and mental health will be discussed; all questions are welcome and mutual engagement encouraged.

This year the host is Marvel actor Warner Miller and there will be worship, Q&A sessions using live-streaming technology and engaging talks. We expect there to be something in the region of one and a half thousand young people attending, and we would love to add to that number.

All pupils who would like to attend have been allowed to be released from school commitments during the Saturday. At the moment the details are provisional, dependant on final numbers, but we expect to travel by coach and for the following details to be at least ballpark accurate. Please use the portal below to make a booking and don't hesitate to ask any questions of me on [jcash@deanclouse.org.uk](mailto:jcash@deanclouse.org.uk).
