Saturday 1st June 2019

Dear Parent/Guardian of pupils in Year 5,

Hopefully you will have noticed in the Trinity Calendar that Year 5 are visiting the Cheltenham Science Festival on Thursday (6th June).

The visit takes place within the school morning and no special arrangements are required. Pupils will be returning for lunch time. Firstly, we will be visiting the Discovery Zone where the children will have the opportunity to try out a range of hands on science activities. Following this, we will be listening to Greg Foot who will be sharing his deep-ocean adventure with us.

Pupils will walk to the festival and back and some of the exhibits are outside. Therefore, it is **imperative that pupils bring a coat with them**, as well as wearing normal school uniform.

We hope your child enjoys the visit and perhaps they will even convince you to go again over the weekend when the exhibits and Discovery Zone are open to the public for free.

Kind regards,

Mrs L Bailey lbailey@deanclose.org.uk; Mrs S Ridsdale slridsdale@deanclose.org.uk and Miss A Eelbeck areelbeck@deanclose.org.uk
