Re: Trip to Salamanca: July 5th to July 11th 2020

A reminder that forms must be handed in by September 30th and deposits to be paid in no later than November 4th.

This trip to Salamanca is available to all those studying Spanish in Remove, 5th form and LVI. The price will be approximately £650 to £700, depending on the size of the group and the cost of flights at the time of making the booking. The price includes all tuition, accommodation, excursions, meals, travels and transfers.

The pupils will be attending morning lessons at ISLA, a languages school that specialises in teaching Spanish to foreign pupils. We have been sending sixth formers to ISLA for over fifteen years and we have been taking groups there every two years since 2008. They have all been hugely successful trips.

Pupils will stay with host families on a full-board basis. Each day is structured so that, apart from the 4-hour daily course, they will also have time to participate in activities that range from guided town tours to tapas sampling and even salsa lessons!

Salamanca is a beautiful university town two hours west of Madrid and it is renowned for having the purest form of Spanish. It is famous for its university, one of the oldest in Spain, and for its cathedral, but even though it is classed as a city it is more like a town where you can walk virtually anywhere.

You can find more information by visiting the school website: www.learningspanish-spain.com and by looking at the attached photos to give you a taste of the trip.

We very much hope that you will be interested in this trip. It will undoubtedly boost linguistic confidence but, more importantly, their appreciation of Spanish culture and lifestyle.

If you would like your son/daughter to go on this trip, please return the form to me by **Monday 30th September**. An initial non-refundable deposit of £250 will also need to be paid no later than **Monday 4th November** (after half term) in order to secure a place on the trip; however this will be returned to you if the trip proves unviable.

Yours truly,
