

Busy Bodies Easter Egg Hunt

Get active and busy as your search for hidden Easter eggs.

Instructions:

- Hide the eggs around your setting or outside area. You may wish to hide all of the eggs or hide a smaller amount.
- Take small groups of children on a hunt to find the hidden eggs.
- Each time an egg is found, read the instruction to the children and ask the children to join you in doing the challenge.
- You may wish to collect the eggs as you find them or leave them for another group to find.
- Once all of the eggs have been found and the Busy Body challenges have been completed, you may wish to present the children with their very own Busy Bodies Easter Egg Hunt Certificate.
