

Year 6 Parents' Guide for Booking and Making Video Appointments

Step 1: Bookmark the website and login

Please bookmark the website: <https://deanclose.schoolcloud.co.uk/>

This is where you book appointments and have video appointments.

Log in using your iSAMS Parent Portal credentials. If you have problems with your Parent Portal account, please e-mail isams@deanclose.org.uk

Step 2: Select Parents' Meeting

Click on the date you wish to book.

The Year 6 Meetings are on Tuesday 8th December (5.00 - 7.00 pm).

Please note that parents need to attend a meeting from one device.

Unable to make any of the dates listed? Click I'm unable to attend.

Step 3: Select Booking Mode

Choose Automatic if you'd like the system to suggest the shortest possible appointment schedule based on the times you're available to attend. To pick the times to book with each teacher, choose Manual. Then press Next.

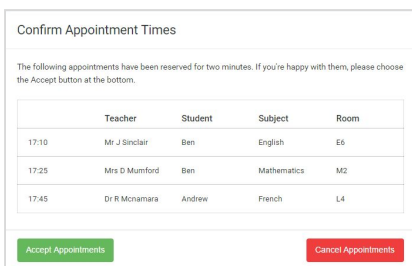

We recommend choosing the automatic booking mode when browsing on a mobile device.

Step 4: Choose Teachers

If you chose the automatic booking mode, drag the sliders at the top of the screen to indicate the earliest and latest you can attend.

Select the teachers you'd like to book appointments with. You can book 4 minute appointments with up to 10 teachers. If a teacher teaches 2 subjects, this will count as 2 appointments. A green tick indicates they're selected. To de-select, click on their name.

Step 5a (Automatic): Book Appointments

If you chose the automatic booking mode, you'll see provisional appointments which are held for 2 minutes. To keep them, choose Accept at the bottom left. If it wasn't possible to book every selected teacher during the times you are able to attend, you can either adjust the teachers you wish to meet with and try again, or switch to manual booking mode (Step 5b).

Step 5b (Manual): Book Appointments

Click any of the green cells to make an appointment. Blue cells signify where you already have an appointment. Grey cells are unavailable.

To change an appointment, delete the original by hovering over the blue box and clicking Delete. Then choose an alternate time.

You can optionally leave a message for the teacher to say what you'd like to discuss, or raise anything beforehand.

Once you're finished booking all appointments, at the top of the page in the alert box, press click here to finish the booking process.

Step 6: Finish Booking

All your bookings now appear on the My Bookings page. An email confirmation has been sent and you can also print appointments by pressing Print. Click

Subscribe to Calendar to add these and any future bookings to your calendar.

To change your appointments, click on Amend Bookings.

Step 7: Log in and go to the Evening on the day

Log into <https://deanclose.schoolcloud.co.uk/> at least 5 minutes before your first appointment. You will need a smartphone or a laptop with a front-facing camera and a compatible web browser: Safari (iPhone/Mac), Chrome (Android/Windows/Mac) or Firefox (Android/Windows/Mac).

Please note that parents need to be on one device if they both want to attend a meeting.

The blue notice tells you that the appointments take place by video. Join Video Appointment turns green an hour before the first appointment and you can click on it to display the video call screen.

Step 6: Start appointment

When you click Join Video Appointments, the video call screen will be displayed.

Click the blue Start Appointment in the middle of the screen to start. You will see yourself in the bottom right corner of the screen.

Step 7: Making a video call

If the teacher has not yet joined you, you will see a notice to that effect in the centre of the screen. When a teacher joins a call, you will see him in the main part of the screen and can start your discussion with him.

You will see the remaining time for the appointment counting down in the blue bar at the top of the screen.

If you lose access to the system during the call, log in again and click Start Appointment on the video call screen. As long as the teacher is still in the call, this will let you continue with the appointment.

When the countdown in the blue bar stops, the appointment time is over and the call will automatically end.

Step 8: Next appointment / end of meeting

If you have a consecutive appointment scheduled, the screen will display a Start Next Appointment button. When you are ready to proceed, click on it. If you do not have a consecutive appointment, but you have not completed your final scheduled appointment, you will see a countdown telling you how long until the start of your next appointment.

Once your final appointment for the evening is complete, you will see a message advising you of this.
