

A level Subject Choices February 2021

Fill in this form to indicate your A level subject choices by 6.00pm on Monday, 22/02/2021.

You can choose three A level subjects and one enrichment, or four A level subjects (NB: Further Maths counts as two A levels).

Please talk to your parents, teachers, tutor, and Houseparent before making your choices, and check your form carefully before submitting. If you make a mistake or change your choice, please email Mr Wilkes at mwwilkes@deanclose.org.uk (<mailto:mwwilkes@deanclose.org.uk>).

Please be aware that:

- History of Art is a full A level and can be chosen as part of a three or four A level programme.
- If you wish to do Leiths as an enrichment option, you must put it as your first choice. If you are happy to take it 'off' timetable, or to do it alongside another enrichment, please indicate this in the final answer box.
- A level Theatre Studies and AS level Theatre Studies (in the Enrichment Block) are both potential options, but it is likely that only one will run.
- Level 3 Mathematics Studies and AS level Maths are equivalent qualifications, the course that runs will be selected based on the profile of the pupils.

It should be noted that this information will be used to create the Option Blocks and timetable that will suit the choices of an optimal number of pupils. In the past we have generally found that 97-99% of pupils get their first three choices; however, it is not always possible to timetable some combinations. Courses will normally run if there is sufficient uptake, but some of the curriculum or enrichment options may change in response to demand.
