All options are tailored to the needs of the individual and to the scholar's strengths and weaknesses. All materials are provided. The School is committed to the provision of learning support facilities, and the charges are subsidised accordingly.

As with all extra charges, a full term's notice, in writing, is required of any cancellation or alteration. If this notice is not received then the term's fee is normally chargeable.

Refunds will not normally be given for missed or cancelled lessons, although every attempt will be made to reschedule these, where possible.

Queries regarding charges for learning support should be directed, in the first instance, to the Bursary.
