The registration fee must also be paid. Admission will be subject to the availability of a place and your child satisfying admission requirements at the time. You are advised to acquaint yourselves with the policies, aims and ethos of the School; these are available on the School website ([www.deanclose.org.uk](http://www.deanclose.org.uk)) or upon request from the School. Any offer of a place is conditional on the acceptance of the School's Terms and Conditions as set out in the Parent Contract, which will be issued with the Offer Letter.

**1 ACCEPTING A PLACE**

A non-refundable deposit of £250 for a day pupil place is payable before entry and when accepting a place. Further information can be found in the School's Terms and Conditions (Parent Contract).

**2 PUPILS' HEALTH**

2.1 You are required to inform the Head of Admissions immediately in writing if:

2.1.1 your child contracts, or may have contracted, any infectious disease or illness before accepting a place at the School. The School may not allow your child to attend the School whilst still infected or contagious (or where this may be the case); or

2.1.2 any medical condition is present or develops which requires your child to have medical or other supervision. If this information is not declared prior to registration or acceptance or admission, or when the condition develops, the School may withdraw the offer of your child's place at the School with immediate effect.

2.2 There is a School Medical Officer and your child may be required to have a medical examination prior to or upon entering the School or at any time whilst a pupil is at the School. The Head may, at any time, also require that your child has a medical examination for the purpose of producing a medical report.

2.3 Your ongoing consent to emergency medical treatment where necessary for the health and welfare of the pupil is required without exception upon admission to the School and is a condition of enrolment.

**3 SPECIAL PRECAUTION**

You are required to inform the Head immediately in writing of any Court Order affecting a pupil and to supply any copies of existing Court Orders with this Registration Form (as appropriate). Copies of any Court Orders issued subsequent to registering and prior to Admission must be provided as soon as issued.

**4 VARIATION**

The School reserves the right to make changes to its Terms and Conditions to reflect changes in the School's practices and procedures to meet current educational, pastoral and economic needs at any time. The latest Terms and Conditions is available on the School's website at [www.deanclose.org.uk](http://www.deanclose.org.uk).

**5 APPLICABLE LAW**

These terms and conditions are governed by English law and the parties shall submit to the jurisdiction of the English courts.

**6 RIGHT TO STUDY IN THE UK**

If your child is offered a place it will be subject to you confirming in the Terms and Conditions (Parent Contract) that your child has the right to enter, live and study in the United Kingdom. Please do not complete the Registration Form if this does not apply as proof is required. This represents your confirmation that he/she has the unconditional right to enter, live and study in the UK for the duration of the period of education offered by the School and proof should be provided. The School may need to notify and/or supply information about you and/or your child and their right to enter, reside and study in the UK to the Home Office to assist with immigration control. Failure to give accurate and complete information may constitute a breach of the Terms and Conditions (Parent Contract) entered into between the School and you in relation to the education of your child, entitling the School to terminate the contract with immediate effect without obligation to return any deposit or fees paid.

**7 NATIONALITY**

Only children who have the right to be educated in the UK may be enrolled as pupils at Dean Close School. You must provide your child's nationality, or nationalities, to the School at the point of Registration, together with documentary proof via colour photocopies or scans of their passport(s) or identity document(s). Where dual nationality is held colour scans or photocopies of all passports held must be provided at the point of Registration. Any child holding a British passport will be shown as British on School records and for government census and statistical purposes even if a second nationality is also held. Where a child does not have a British passport but holds an EEA or Swiss nationality (only applicable to those that entered the UK by 11:00pm on 31 December 2020) jointly with a non-EEA nationality the child will be shown as the appropriate EEA nationality on all School records in preference to any other nationality also held, as it will be the EEA nationality which allows entry to the UK to study. Any child holding Investor visa (Tier 1), Skilled Worker visa (Tier 2), Child Student visa (Tier 4), BNO visa dependent status, or any other leave to remain held outside the points based system will be shown as holding the nationality linked to their entry visa. The School has the right to request sight of all passports and identity documents for any pupil, including British pupils, at any time and may take copies to retain on file to prove the pupil's identity and nationality. Sight of parents' passports and identity documents may also be requested and copies retained for a similar purpose. Any further change in nationality once a pupil has joined the School must be notified to the Head and Head of Admissions immediately and supporting documents supplied as requested.

- 8.1.2 its registration, selection and/or admission procedures, including as set out above;
