

The Archive Needs You!

Competition - Memories of Covid - Staff And Pupils

The Archive collection is not just about old stuff from yesterday! We collect material every day so that in years to come the School Community will be able to look back and understand its past. To enable people to imagine what it would have been like to go to Dean Close in 2020-21 and to allow us to reflect on the year of Covid-19, we need your help.

To capture your memories, we are asking you to send us your recollections as written accounts, songs, poems, drawings or photographs that reflect your experience of Dean Close during the pandemic.

What was it like teaching or being taught online? How did it feel returning to School? Perhaps you attended school throughout. How was that different and how did you feel about it? It can be anything you like; be as creative as you wish.
